

Dear Families - Welcome to FEAT & Forest Explorers 2025 @ Great Moose Adventures!

1. Forest Explorers & Adventure Team (FEAT) - The Program

Our goal with FEAT is to provide a unique Forest School experience that combines inquiry-based forest exploration, adventure-based recreational sports and Science for kids aged 9-14 for 1 or 2 days a week (Wednesdays or Thursdays) from 8:30am - 3:30pm, with options for early drop and late pick ups.

Here is what it will look like:

- Classic Forest School Activities = hiking, exploring, games, arts & crafts, drama, building projects and team building initiatives
- Adventure = Canoe Tripping in the Fall, including canoe instruction, portaging, campfire cooking & Backcountry cross-country skiing in the winter including ski instruction for beginners to advanced
- Science = Utilizing our amazing landscape the participants will take place in activities & lessons that focus on ['The Land Between'](#), where the students will facilitate projects to help conserve this amazing ecosystem and help some of the endangered species within this region
- Leadership = Red Cross first aid training (including remote wilderness scenarios), citizenship / community building with science projects and social interactions throughout, highschool volunteer hours, opportunities to interact with GMA Academy students (older & younger).
- Physical Education = field games, ultimate frisbee, trail running and skiing with options to compete at local races with Great Moose Adventure's race team
- Receive the Red Cross Stay SAFE! certification when you sign up for full year

Our goal is that FEAT is a program that:

- develops life long friendships & professional contacts - and possible careers (maybe future guides or teachers)
- encourages the participants to become active members of a community with a common goal to help the world and have fun
- teaches about science (plant & animal habitat, geology, animal tracking, nature's language etc.)
- sparks a passion for outdoor adventure by providing opportunities to

- cross-country ski in backcountry (not your standard ski club experience - our advanced skiers seek out hills and fresh snow, while our beginners cruise the trails close to the lodge and the intermediates do everything in between)
- canoe trip - the ultimate character development event, swimming, rock jumping, campfire cooking
- develop leadership strategies, gain confidence and acquiring the hard skills to play safe (Red Cross first aid programming)
- Build physical fitness and endurance to be ready for any adventure

2. Forest Explorers - The Program

This is our youngest full day group for **kids aged 4 - 8!** These kiddos engage in meaningful play - all day! Our educators guide and nurture their natural curiosities and inspire them to be confident, independent, and kind humans. We facilitate long stretches of child-led, purposeful play mixed with directed inquiry-based activities utilizing our STREAM curriculum (Science, Tools, Reading, Engineering, Art & Math) using stories, games, drama, Rainbow Kids Yoga, music and nature - all with a goal to encourage imaginative, creative and educational learning opportunities. Plus - we begin the kids on their path to outdoor sports and adventure as a JR-FEAT program with opportunities to ski, canoe, swim, hike, build forts and much more.

Examples of our unique Forest Explorers Outdoor Education projects and activities include:

- Nocturnal Tunnel - journey through the tunnel to learn about diurnal, crepuscular and nocturnal creatures in Ontario
- Pollinators - making habitats and planting gardens, creating mini greenhouses, bee dancing
- Nature's Language - animal tracks and their stories, travelling the migration path of North American birds, scat identification and recreation
- Pond dipping - finding the minibeasts in the creek, learning about animal life cycles
- Safe mushroom exploration and spore printing
- Journey to the Wishing Tree
- Tree Identification - find a special tree, maple tree tapping and sap boiling
- Forest Art - dead wood monsters
- Spring flowers - dancing, seeding, art
- Scientist for a day
- Music in the forest - woodland marching band
- Seasonal celebrations - Thanksgiving mud kitchen feast, broom and scarecrow making, potions and teas

This is a 1 day or 2 day program - running on Wednesdays & Thursdays throughout the school year. The day runs from 8:30am - 3:30pm with options for early drop off (7:45am) and late pick up (4:30pm).

Children should be comfortable (and prepared) to be outside all day - however, we do have an indoor space available for super cold days and inclement weather.

3. Food

- Children will bring their own meals from home. No food sharing will be allowed.
- We are a nut-free environment, so please pack lunches accordingly
- Water - please bring as much water as possible in clearly marked water bottles. We suggest 2 separate bottles, so that you can keep one in a cooler space until the afternoon (refills are available at camp)
- Boomerang lunches only - we kindly ask that all participants take home everything that they bring, including garbage
- Fridges, microwaves, dishware and cutlery will not be available - please keep this in mind when packing daily lunches
- Outdoor life is super active, so please provide lots of tasty, good food

4. Communication

- An email will be sent out 1 week prior to the first day of the program with all the relevant information that you might need. All other information is found in the Parent Handbook
- Day-to-day communication will take place through a SeeSaw App, including pictures of our adventures - details to access this will be provided in the email sent before the start of the program
- Parents will have an opportunity for a quick chat during the morning drop-off & afternoon pick-up
- We have a [Facebook Group](#) called *GMA Forest Class Families* which can be used for potential carpooling, gear swapping and communication between families.
- If you have any questions or would like to set up a meeting with a Director, please send an email to oe@greatmooseadventures or call us at 705-687-3903 to book a time

5. Procedures

Drop-off/Pick-up:

-The day starts at 8:30am and ends at 3:30pm.

-Early drops are available from 7:45 onwards for \$5 a day

6. Illness & Outbreak Guidelines

GMA's outbreak policies and procedures for our programs are based on the operational guidance given by the Ontario government and have been created following the advice and guidance of the Simcoe Muskoka District Health Unit.

If a participant demonstrates an illness while attending a program, we will isolate the individual, and contact the families for pick up as soon as possible.

Handwashing & Hygiene

Regular reminders to wash hands and visual checks by teachers will be made to ensure that all children are maintaining good hygiene.

7. Sun Care

Children must wear sunscreen and ball caps throughout the day. Please apply sunscreen at home with your children before the program everyday. We will ask the children to reapply throughout the day. All participants will be encouraged to apply their own sunscreen, so it might be best to look for easy to apply sprays for the body and sticks for the face. If you do not want your child to wear sunscreen, please let us know.

8. Tick Checks

Tick checks will be done upon returning from an outdoor program. If a tick is found embedded in a child, our teachers will safely remove the tick. The tick will be kept on site and can be sent home if needed. We suggest carrying out tick checks on your child when they get home too.

9. Code of Conduct

- All participants must follow the above described guidelines to the best of their ability
- Self-screening - if any participant is feeling unwell during programming or at home, they must let an adult know asap.
- Participants are expected to adhere to the GMA Rules of Respect - Respect Nature, Staff, Yourself, Other Participants and GMA Property

12. Overnight Trips - Optional (for FEAT participants only)

To create a strong team dynamic and to 'big up' the adventure - we will be offering optional overnight camping trips:

Fall =

- 3 night / 4 day Canoe Trip (Thursday, Sept 26 to Sunday, Sept 29)
- **3 Mile Lake** - this amazing lake situated only 4 km from our lodge is accessed by paddling Kahshe River, portaging Teopolis bridge, paddling through the enchanted river to Bass Lake, up the creek to Kahshe Lake and by the cottages to Blueberry Island, and finally a short portage to 3 Mile Lake (all in - a 4/5 hour day trip)
- **Super Safe Trip** - while the trip is a full day canoe away, we can access the lake by car within 10 minutes from Great Moose Adventures, so if anything happens we are close by
- **Menu** - campfire cooking! We will design a menu as a group (adhering to all dietary needs) , and everyone will be involved with the meal process. "Food always tastes better on trip"
- **Introductory canoe trip** - as this may be new to some participants, the trip is easy going. We are camping in the same spot for all 3 nights, and filling the days with games, challenges, science and all the good stuff that comes with a canoe trip (team building, self-confidence, physical activity, friendship, plus much more!). We will practice canoe tripping skills (paddling, portaging, packing etc prior to the trip in the first 3 weeks of FEAT
- **Costs** - \$300, includes all gear (except sleeping bags & camp mats), food and instruction

Winter = 2 night Winter Camping Trip - Friday Jan 31 to Sunday, Feb 2

- **@ Great Moose Adventures** - this introductory winter camping trip includes back country skiing, campfire cooking, star gazing, and team building activities & games
- **Super Safe Trip** - experience winter camping in a wilderness setting - within site of Great Moose Adventures lodge. Participants will sleep in tents inside a winter shelter (quinzee, igloo or other - pending snow conditions), but will have the advantage of drying our clothes, having access to bathrooms and an emergency shelter if needed
- **Menu** - campfire cooking! We will design a menu as a group (adhering to all dietary needs) , and everyone will be involved with the meal process. "Food always tastes better on trip"
- **Costs** - \$300, includes all gear (except sleeping bags & camp mats), food and instruction
